

### Our Inspiration **Charlie Sanders**

Charlie Sanders was known for his acrobatic catches and strength during his 10-year career with the Detroit Lions worthy of enshrinement into the NFL Hall of Fame. The city of Detroit which he made his home, remembers his humble demeanor and compassion for people overall.

When it came to helping families in need, he was always willing to use his celebrity to make a difference. He remained a humble, steady force for individuals and families alike, and it is in his spirit that his daughter, Charese Sailor, continues to lead Detroit Has Heart in honor of his example.

We invite you to become a Detroit Has Heart Champion. Simply make your Gold, Silver, or Bronze Sponsorship recurring monthly, bi-monthly, or quarterly. Will you stand with us, fight for us, and undergird our efforts with your financial support?

# Your sponsorship secures our future.

The **Detroit Has Heart Annual Fundraising Gala** on January 25, 2020 at 5:00 pm will be held at **Andiamo Detroit Riverfront Winter Garden** at the **Renaissance Center** for the second year. It is a celebration of the vital work that we are doing together. It is an opportunity to highlight our past successes and make way for our future growth. This formal event gives Detroit's leaders and engaged community members the opportunity to come together, raise the funds needed for the following year, and recognize this year's **One Heart Award** recipient, Eric Hipple, because he has the heart of a champion on and off the field.

The lifeblood of every non-profit organization is the consistent, sustaining power of its donors. Your passion for our work is what makes it possible for us to provide vital services, expand our influence, and make a difference for every individual and family that needs us.
